What
to
take to a
heavenly
resort

And
what to
wear back
home

A soft spoken, smiling Aloha and a lei of orchids and plumeria was my introduction to Hawaii and Rockresorts' enchanted and enchanting Mauna Kea Beach Hotel.

We worked and we worked hard photographing this collection—but the beauty of the resort, the incredible service, the perfect-down-to-the-last-detail luxury—made our work time effortless and our play time a joy.

I enjoyed putting this collection together. Even being utterly practical in looking for designs with versatility, packability and switchability—

I couldn't believe the variety of pretty, feminine selections to be found in the New York fashion market.

Once again, groups are coordinated by fabric and color with accessories to save you time and energy. And of course, you'll find separates for morning, noon and night. So, whether you're off to Hawaii or staying happily at home, enjoy your Brownstone Studio browsing and shopping.

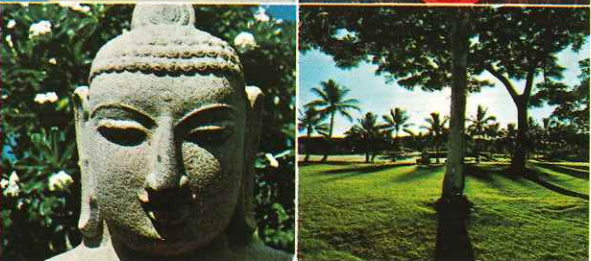

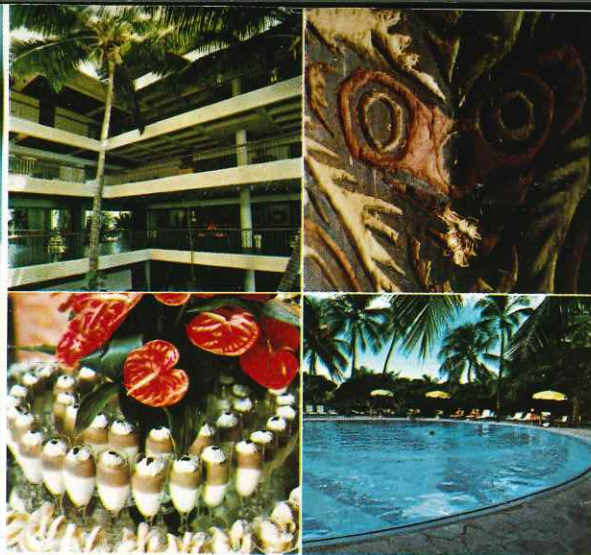

When you're in New York—we'd love to meet you in our "Upstairs" Boutique.

Sincerely,

Sean Grayson

black and white

4A When you're resorting to black and white, what can be better than Wilroy's 3 piece traveller in a silky ribbed knit? Can you imagine the extra fashion mileage you'll get from each part as a separate? The band-necked jacket is sparked with white stitching and white facings down the front and at the cuffs. Big patch pockets.

The hip-hiding pants are full-legged pull-ons. Shell below is U-necked, sleeveless, back-zipping, piped in black, narrowly sashed. Polyester that washes in a wink and never shows a wrinkle. (I wish I could say the same). Black/white or navy/white. 6-20. \$80.00. (1.25).

4B Tie on Echo's jumbo black and white striped scarf in lush pure silk crepe. Rolled edges. 32" square. Black/white; navy/white; red/white. \$13.00. (.85).

4C Clutch a handful of glossy wicker by day or by night. There's a little golden shoulder chain hiding in the cushion-shaped bag. Polished clasp, vinyl lining. By Magid. Black, white, navy or natural. 9"W x 6"H x 2"D. \$14.00. (1.25).

4D There's something very gentle and romantic about this pale beauty. It's reminiscent of a more leisurely way of life even though the easy care fabrics are designed for today's frantic pace. The French-inspired vest and the A-lined skirt are creamy, washable lined polyester gabardine stroked with black braid. Skirt has back zipper. The long enough to wear out blouse has flowing sleeves and a puffy bow. Polyester surrah daintily pin-dotted. (Earrings 7C, handbag 4C). Ivory/black. 6-20. \$105.00. (1.25).

4A
4B

5A This is how I like to dress at night. It goes along with the soft music, waving palm fronds and star studded skies of Hawaii. Fluid cotton/poly jersey softly skims and slims the body. The dots intensify as they reach the hem adding to the optical illusion of slenderness. Elastic waistband. Draped cowl neck, long back zipper, narrow self sash. (Earrings 18D, handbag 4C). Washable black/ivory; red/ivory. 6-20. \$64.00. (1.25).

5B Make beautiful gestures with sleeves that flutter like a butterfly's wings. Questo's poly chiffon wrap and tie surplice blouse is a great shape to be in. Washable jungle print in black/white, brown/white, azalea/white 6-20. \$30.00. (1.00).

5C Evening pants of matte jersey—another minimizing fashion find if you haven't discovered that already. Elastic waisted pull-ons with skirt-wide legs. Washable polyester in black or brown. 6-20. \$32.00. (1.00).

5D (Not shown) Wilroy's long gored pull-on skirt in polyester jersey is an alternative companion for the flutter blouse. Black, brown. 6-20. \$40.00. (1.00).

5E If you've a flair for the dramatic—here's a dress with unabashed allure. It's one long stroke of cotton jersey in a brilliant carnation print. Notice the new asymmetrical neckline, the slim push-up sleeves. Easily A-lined—skinny sash shapes the dress to you. Back zipper, side slit, Black/white. 6-20. \$80.00. (1.25).

From the moment you arrive

and receive a lei in greeting—
you'll feel you've entered an enchanted land.

6A A bright idea for a rainy day from Wilroy. They've coated a posy printed dress fabric with polyurethane and turned it into a raincoat. Completely water repellant and lightweight. Its hood is collar-draped here and buttons on or off. Band necked, buttons all the way down, shirt detailing, patch pockets. (Handpainted umbrella is 27C.) Black/white. 6-20. \$80.00. (1.25).

6B The dress that matches the raincoat. Dainty flowers in a trellis pattern. Comfortable cotton jersey. The overblouse is shaped like a T-shirt.

Coordinated stripes band the rounded neckline and delineate the inset panel. Stripes again for the triangular scarf and self sash. The flippy skirt has 8 gores (handsome with a white shirt), elastic waist, side zipper. Black/white. 6-20. \$64.00. (1.25).

6C Calderon's doubled cord belt has a shiny barrel closing and leather loops. All white or natural/tan. S(24-26), M(27-29), L(30-32), XL(33-35). \$9.00 (.85).

6D Canvas combined with glossy black patent makes for a marvelous handbag no matter where you wander. Meticulously detailed by Mr. Leather with brass-tipped luggage handles, patent welting, top zipper closing. Inside there's a big zipper compartment. Black patent/natural canvas or saddle cowhide/natural canvas. 13½"W x 10½"H x 3½"D. \$32.00. (1.25).

7A What's black and white and flattering all over? The dress I find utterly irresistible—Wilroy's petal-scalloped jersey. All the news is in the graduated print. The rounded neckline and cuffs are narrowly banded in black. Spaghetti sash defines the waistline. There's a long zipper in back. Washable polyester. (Bag 7B). Black/white. 6-20. \$68.00 (1.25).

7B Bag fanciers take notice—this small wonder has 3 different looks. Carry it as a shoulder bag, unhook the slender shoulder strap and it's a clutch, or—flip up the golden U-bars and you have a top handled bag. Soft, soft leather with a deep flap that snaps shut. Self welting, inside zipper compartment, fabric lining. By Margolin. 8"W x 5"H x 2"D. White, black or navy. \$26.00. (1.25).

7C Black braid rimmed alabaster button earrings by Miriam Haskell. Clip-ons. \$12.50. (.85).

7D For dinner at 8, for an evening of theatre—night separates come together in a lightening struck polyester crepe print. The band necked tunic has a deep front opening, cuffs, side slits. The scarf doubles as a sash. The full pants are elastic waisted and side zipping. Washable. Black/white. 6-20. \$80.00. (1.25).

7E A very special belt by Accessocraft always seems to pull everything together. Golden stretch metal twists 'round in front and then hooks shut. The hooks are hidden under dimensional rams' heads. S(24-26), M(27-29), L(30-32), XL(33-35). \$12.00. (1.00).

9C Mauna Kea's buffet lunch is not to be believed. We put quite a dent in that cake when we finished photographing. The dress, thank heavens, has calorie-covering lines. Silken Travellura® jersey with rows of links striping it. Tiny jujube buttons at the cuffs and down the front. Sash shapes the dress. Washable. Amber, blue or green on white. 6-20. \$64.00. (1.25).

9D 3 part dressing that will coordinate with many of the white, black and navy separates already in your wardrobe. Shirt jacket and gored skirt of cotton jersey are abloom with bouquets. Skirt is side zipping, jacket sash not shown. The shell is a mated starburst print—sleeveless, back zipping. A dress with travel in its future. Lacquer red/white. 6-20. \$90.00. (1.25).
